Way to go.....

Offers ^{the} _{best} **Integrated Business Solutions**

About Us: The directors of the **PACKMAN** started their careers in 1997 related to printing, labeling, retail and industrial solutions. Being a group of professionals, The Company has been established successfully in 2010 to provide innovative quality Printing, Automated Identification and Integrated Business Solutions on “just in time” basis to its focused diverse markets.

PACKMAN group has grown to become one of the renowned independent manufacturers of labels through flexo printing, die-cutting, offering maximum value to industries & retail sector across Pakistan.

PACKMAN’s growth has been firmly rooted in its continuous programme of investment in human resources, strategic expansion, modern equipment and innovative materials capable of meeting the changing needs of its customers. This has enabled the company to build an enviable reputation within its primary markets.

PACKMAN operates from a vertically integrated site at Lahore, Pakistan. PACKMAN extrudes a variety of labels, barcode thermal printers, Auto ID, data capturing and mobile devices. We also produce a range of special self-adhesive labels for shelf products, bottles. Come in roll formats, choose from waterproof materials, shapes, and custom sizes.

As the demand for quality printing flexo continues to expand and markets become more sophisticated, PACKMAN will continue to respond positively to these developments with fresh ideas, more advanced technology and an unwavering determination to succeed. The throughput of our machines is very good on a range of Paper. Utilizing the very latest in flexographic print technology we have capability for printing up to 6 colours with the option of applying additional surface UV coatings in line.

Our Mission is clear-we are committed to provide you with the highest-quality products, label application and services possible in a timely fashion and at a competitive price. We promise to listen to you and help you achieve your business goals. We will always be there with honest, expert advice and quick, friendly customer service.

Our Vision is to become Pakistan's most recognized and trusted Printer & Integrated Business Solutions provider. We will use our God given talents to become widely recognized for our innovation, client loyalty and unwavering integrity. We build our business by challenging the traditional norms of printing technology. We will provide fresh ideas and creative solutions for our clients, earning the privilege to be their trusted advisor.
